Speaker, Teacher, Healer
John C. Davis

Imagine being told by numerous psychics and strangers who walk up to you on the street that you had walked with Jesus. This is what happened to John Davis, a professional entertainer. To uncover the truth, John had a past life regression which revealed his life as John the Beloved Apostle.

After experiencing the enormous love of Jeshua (Jesus) in the regression, John has made it his mission in life to bring forth the true teachings of the Master before the distortion of religious dogma. John is touring the country sharing his stories of miraculous events and lessons that have transpired in this life of service. You will laugh and cry as, with true stories of manifestation and healing, he teaches the simplicity of your connection with Divine Source, allowing you to experience and co-create with God on a daily basis.

In addition to speaking, John has facilitated incredible healings, many of which are recounted in the book as well as on his website. To date, people have released cancer, diabetes, depression, muscular dystrophy, high blood pressure, broken bones, and other life-threatening conditions.
